

ITALIAN TOUCH APPLIED TO THE WORLD OF THE BATHROOM

Artelinea is a company that is a pioneer in its field. Founded as a small company in 1962, it is now represented at international levels as one of the leading companies in the sector of quality bathroom furnishings.

Artelinea's designer furnishings are created to be adaptable to pre-existing spaces or to be the starting point for developing a new environment with a unique personal style.

Created by internationally renowned professionals, they aim to make bathroom furnishing a world of style in which each accessory has an individual appearance and signature.

Artelinea's style is the result of a continuous search for traditional beauty, which is re-interpreted with a modern twist. The need for modernity does not, however, represent a limit for Artelinea. The rule is "cultivation of beauty" especially when beauty is rich in history and traditions.

Offering a full range of products including furnishings, tops, washbasins, mirrors, lighting, as well as different kinds of floor and wall coverings to offer a flexible and innovative approach to bathroom furnishing while guaranteeing an exceptionally high quality.

The 18 collections of furniture meet the different requirements in terms of style, functionality and budget. There are 42 patented gloss and silk finish colors. Kerlite is a natural, eco-friendly, 100% recyclable material available in 6 finishes. The choice of special coatings made with exclusive,

avant-garde technologies: Cristal Wood (glass with the insertion of real wood grains), Cristal Image (glass with the insertion of images or fabric).

The creation of unique design objects in Opalite, ceramic glass with exceptional characteristics combines the brilliance of glass with the resistance of ceramic. The new Dama collection is characterized by the revolutionary covering Dualite®, an innovative material that unites two rear colored sheets of glass in a single element extremely adaptable and extremely safe.

You can see Artelinea products at the Belmont Hardware showrooms located in San Jose and Belmont. When you visit one of Belmont Hardware's six showrooms, you will find Northern California's largest selection of the world's finest decorative finish hardware and plumbing fixtures. Belmont Hardware is family owned and has been a favored source of homeowners, architects, interior designers, and custom homebuilders for over 80 years. You can also visit Belmont Hardware's additional showrooms located in San Francisco, Novato, Walnut Creek and Fresno, featuring an extensive collection of products on display, or you can visit www.belmonthardware.com for additional information and more details.
